## Summer CAMP 2017

We're Off to the Zoo! \_\_\_\_\_ June 12-16<sup>th</sup>

Join us for a fun filled week at the zoo! Although we will still be at Bridges, our virtual field trip will include visits to all areas of the zoo. We will visit the primates, elephants, giraffes, and big game animals...lions, and tigers, and bears, oh my! We will incorporate geography lessons along with our animal studies. Come along on our adventure!

Calling all Geologists! \_\_\_\_\_ June 19-23<sup>rd</sup>

*This week will find us studying various rocks and minerals. We will observe many different types of rocks and conduct experiments to create our very own. We will identify and classify and even use our creativity to create rock masterpieces. Minerals rock!*

Masterpiece Mania \_\_\_\_\_ July 10-14<sup>th</sup>

Join us for a week making beautiful artwork inspired by renowned artists from all over the world. We will channel our inner Vincent van Gogh, Monet, and Pollack, to name a few, to create fabulous works of art using many different media. All artists are welcome!

The Wonderful World of Jan Brett \_\_\_\_\_ July 17-21<sup>st</sup>

Enjoy a week of fun with the work of author Jan Brett and her lavish and detailed illustrations— We will explore The Mitten, The Hat, trolls, animals, gingerbread people and much, much more along with enjoying her winter wonderlands in the summer. Come along!
